Inside the building are two rooms—one provided with bunks for very small or sleeping babies, and a separate room for the high-chair babies who want to be amused. A charge of 10c per hour is made for this service; reduced rates to families with several small children who will play together.

event in which the same had been entered, then such Exhibitor and such horses and ponies shall not be entitled to any award; provided that the above disqualification shall not apply to cases where only one horse or pony of a pair shown or exhibited in a subdivision of a horse or pony event does not exceed half an inch over the height prescribed by the published conditions for such subdivided event, in which such pair is entered, but this proviso shall not qualify any horse or pony that is not within the qualifications prescribed hereby or by such published conditions, for any single harness horse or pony event for which said horse or pony is not properly qualified.

DUTIES OF EXHIBITORS

12. No animal or exhibitor shall be decorated with medals or prize ribbons until after the awards have been made in the respective events in which such animal is shown or exhibited.

13. Every exhibitor shall, either by himself or by some person appointed by him in his place, be in charge of any animal shown or exhibited by such exhibitor in any event, and such exhibitor or such appointed person shall be in attendance, neatly and properly dressed, accompanied by the animal to be shown or exhibited, at the place appointed by the Directors for the event in which such animal is to be exhibited or shown, at least thirty minutes before the time appointed by the Manager for the holding of such event.

AUTHORITY OF OFFICIALS

14. The Directors shall be at liberty for cause, or in their uncontrolled discretion, and without giving any reason therefor, to bar any exhibitor and any animal from participating in, or continuing to participate or compete in, any event; and also cause any such exhibitor or any such animal to be removed from off the premises of the Association.

15. Every animal shall be produced by the exhibitor thereof at such times and at such places, and for such purposes, and shown or exhibited for such time and in such manner as the Manager or Judge of the event in which such animal is entered shall direct, and any refusal of such exhibitor to obey any such directions shall be construed as cause for such Manager or Judge to exercise the like powers which are hereby vested in such Manager or Judge as are vested in the Directors by Clause 14 hereof.

16. Every animal entered or offered for entry in any event shall be subject to such examinations at such times and places and by such veterinarians as the Manager appoints.

17. Where the total number of exhibitors in any event is less than three the Executive Committee shall be at liberty to amalgamate such event with any other event of the like character; and where there is only one exhibitor in any event, or where the Judge is of the opinion that the animals exhibited do not justify an award, such Judge may withhold the awarding of any award for the same.

18. The Judge of any event may, if he deems it necessary, in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such Judge may, if of the opinion that any horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing in such or any other event.

FRAUDULENT PRACTICE

19. If any exhibitor be guilty of any fraudulent practice or shall conspire with another person for the commission of, or shall connive with any other person for the commission of, any corrupt or fraudulent practice in relation to any event, or shall show or exhibit an animal not properly entered, or shall administer or cause to be administered a drug or stimulant internally or by hypodermic method, prior to or during any event or who shall use or cause to be used appliances, electrical or mechanical other than the ordinary whip or spur during any event, shall be disqualified by the Judge from further participating in the event in which such offence occurs, and such Judge may also exercise all the powers given to a Judge under Clause 15 hereof.

20. Any exhibitor who shall at any time or at any place attempt to interfere with or influence any Judge or any official of any event or of the Association, or who shall at any time on the premises of the Association be intoxicated or use improper language to any such Judge or official, or to any of the public resorting to such premises or refuses to accept any award made by a Judge shall, at the discretion of the Manager, forfeit any award already made to him, and the Manager may, with like discretion, exercise all the powers given to the Directors under Clause 14 hereof.

RISK

21. Every exhibitor shall be deemed to be in full charge of and responsible for his exhibit, and the Association shall not be liable for any loss to any such animal or for injury or damage thereto, from the time that such animal commences to be transported to the premises of the Association until such animal is delivered thereon, and every animal on such premises shall be deemed to be at the risk of the exhibitor, and the same shall remain at the risk of the exhibitor, except in the case of an animal being sold, when the same shall remain on such premises at the risk of the purchaser at such sale; and in either case the Association shall not be liable for the loss of any such animal or for injury or damage thereto, notwithstanding such loss, injury or damage arises through or by the negligence of the Association or any of its officers, servants or agents.

Entries for early closing events to close on May 15th, with a payment of one per cent. of early closing events, two per cent. to be paid on June 20th, when horses must be named. Entries for all other harness purse races close on June 20th. Entry fee three per cent. of purse and no deductions from money winners.

Races to be conducted under the three heat system, every heat a race. 90 per cent. of purse divided, one-third to each heat, on a basis of 50 per cent., 25 per cent., 15 per cent., and 10 per cent. Ten per cent. of purse to go to the horse standing best in the summary. In the event of three horses winning one heat each, a fourth heat will be necessary, horse winning same to get mark and 10 per cent. mentioned above.

In all cases where these conditions are not in accordance with new rules adopted by the American Trotting Association, the American Trotting Association rules will govern.

Marks made after May 20th, 1922, no bar. Five or more to enter and four to start in all purse races. In all early closing events, ten or more entries will be required in mixed races, and eight or more entries in straight trots or paces on the day entries close.

RUNNING RACES

Running races to be conducted under the rules of Western Canada Fair Association.

Running Purses.—Entries close 11 a.m. the day before the race, except where otherwise stated. Entries for Monday's races close Friday at 11 a.m. Entry fees, \$5.00, unless otherwise stated, with no deduction from winners. Purses divided 70 per cent., 20 per cent., and 10 per cent.

Conditions and weights will be made to best suit the horses actually on the grounds for races in which conditions are not specified.

In purse races, except handicaps, horses bred in Western Canada to be allowed seven pounds. This also applies to horses entered in races for horses bred in the above territory. The above allowance must be claimed when entry is made. (N.B.—This rule does not apply to Western Races.)

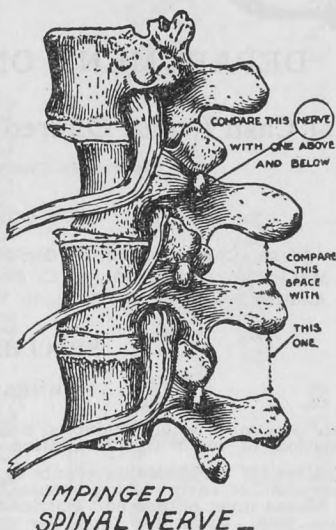

In races for horses foaled in Western Canada, the onus of proof of such rests with the nominator or owner at the time of starting.

The Race Committee is determined to have all races keenly contested, and reserve the right to make any or all events handicap if necessary.

BRAIN CONTROL OF BODILY FUNCTION

THE NATURAL action of every cell, tissue, organ and system of the body results from a normal quantity of energy from the brain. This energy is dispatched to each and every part through nerves that reach and supply them.

Interference with the transmission of this energy from the brain will result in UNNATURAL expression (DISEASE) in the parts of the body thus deprived of normal energy.

The most common form of interference is mechanical pressure at a point where the nerve trunk leaves the spine.

Obviously, then, if NATURAL expression (HEALTH) is restored this pressure must be reduced.

The science of Chiropractic is concerned with this work only, which probably explains its success as a therapeutic measure.

CITY OF EDMONTON Waterworks Department

This municipally owned and managed utility exists for the purpose of supplying the most essential of our daily domestic and physical needs. Also for fire protection and industrial needs.

Our City is blessed with an inexhaustible supply of water, the Saskatchewan River, but it involves expenditure to pump and filter the same and assure a constant supply at the taps in kitchens and bathrooms. It is the desire of those responsible for the operation and management of this utility to keep expenditure down to the minimum consistent with efficiency and safety and to eliminate waste. To this end we solicit the co-operation of all citizens.

Is your property adjacent to the water mains?

Is water service connected into your house?

Why not have the pipes installed right into the house this year?

It means more comfort in the home and less expense to you.

Put it in Print

THE good things you have to say about your business, or your product, or yourself—print them. But print them **RIGHT**. Good sound selling talk properly set forth in good ink on good paper by intelligent printers will cause people to believe—**AND TO BUY**.

"OPTIMISM"

Someone described a pessimist as one who
looks upon every turn in the road as

"THE END"

An optimist is one who realizes the turn is
merely the

"Best Way Out"

and all that is necessary is to "keep going."

Optimism has a Constructive Influence

the optimist helps others to be

Cheerful and Happy,

the pessimist makes even himself unhappy.

If you want to help the world push-ahead
and not hold it back, BE AN OPTIMIST!

EVERY FEEDER OF STOCK

KNOWS THE VALUE OF A BALANCED RATION.

In fact every successful feeder uses a Balanced Ration of some description, but just how to have it accurately balanced is the problem.

No element of chance enters into the manufacture of BIG CHIEF FEEDS, as frequent analysis is made, not only of the Feeds after they are made, but the Raw Material as well, and with each bag of Feed offered for sale is given a guaranteed analysis within one-half of one per cent.

It is this perfectly balanced ration, guaranteed to every Feeder, that saves him time and money. He is assured that every pound of BIG CHIEF FEED is returning value to him and that twenty to fifty per cent. of the Feed is not passing through the animal as waste. This is the economical feature of the Feed.

A fair trial of any of our different Feeds will prove every claim made for them.

Revised Method of Awarding Prizes in the Creamery Butter Classes.

Prizes in Classes No. 2005, No. 2006, No. 2007 and No. 2008 will be awarded according to the following plan, which was adopted in connection with the 1921 Exhibition:

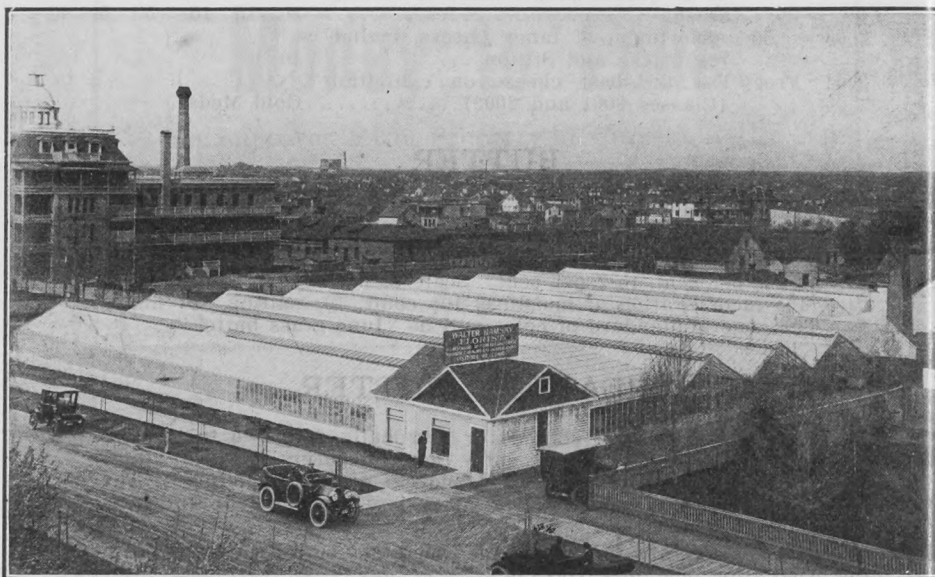

(a) The sum of \$400 will be paid for prizes in the following classes.

(b) Any exhibit in these classes that shall qualify for standard "Special" grade—a score of 41 points or over for flavor and a total score of 94 points or over—will be awarded first, second or third prize and standing according to its individual score. The value of the prizes will be calculated upon the basis of two units for first prize, and one and one-half for second and one unit for third prize. Provided, however, that after taking into consideration the general conditions surrounding the manufacture and the storing of the exhibits in either of the classes the executive committee may, upon the written recommendations of the judge or judges of the butter, authorize a uniform reduction of up to 1 (one) point in the minimum score ordinarily required to qualify for standing.

DEPARTMENT TEN

Application and Allotment of Space

For the exhibit of all classes of manufactures, application for space should be made as early as possible.

In the allotment of space, the manager or director in charge reserves the right to place exhibits in any department to which, in his opinion, they properly belong.

Preparation of Exhibits

Exhibitors are respectfully notified that Friday, July 7th, is Preparation Day. All goods must be in position not later than Friday night so as to be ready for the opening on Saturday morning, July 8th.

Extent and Character of Exhibits

Where space has been allotted to any exhibitor the manager or director in charge reserves the right, in case any exhibitor shall fail to have his exhibit placed by the proper time or shall fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited.

The manager reserves the right to prescribe the dimensions of and regulate the position of all signs, and generally to direct the management of articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

Exhibitors will not be allowed to distribute hand-bills or other advertisements about the grounds or buildings. Advertising matter must be distributed from the space where the exhibit is installed. Neat cards for this purpose are recommended, as they are more likely to be kept by the visitors and not thrown to the ground.

Any exhibitor, concessionaire or attendant making unseemly noises or otherwise calling the attention of visitors to his exhibits in a way that may be considered by the board of directors or manager unseemly or a nuisance, shall be liable to forfeit his space and all privileges as an exhibitor or concessionaire, if the board of directors or manager so determines.

Any exhibitor guilty of distributing advertising cards or notices, either personally or by agent, that may be considered immoral or objectionable by the board of directors or manager, shall forfeit his or her space, and all privileges as exhibitor.

If space allotted is accepted and exhibit not installed, any money paid for same will be forfeited.

All decorations made by exhibitors will be subject to the approval of the director in charge or the manager of the building, both as to character and material used.

The necessary exhibitors' and attendants' tickets, non-transferable, may be purchased at the office upon the grounds. Price, \$2.00 each.

CAMPING GROUND

DEPARTMENT TWELVE

Director in Charge, F. Pickles.

The Camp Ground at the Edmonton Exhibition has been very popular with visitors from outside points, who find this method of bringing their families to the Exhibition preferable in many ways to boarding in hotels or private houses.

Bring your own tent—or write and let us hire one for you; we have very favorable arrangements for renting tents from a reputable tent company, and we own tent frames of all sizes. We also own double iron cots, equipped with straw mattresses, which we hire at reasonable figures. Bring along your family in the motor car, and camp for Exhibition Week on the Edmonton Exhibition Grounds. Every privacy afforded, and a maximum of comfort at a minimum of cost.
